Hi, Michael – The Decision Document is part of the “Gov 404 Ltr + Memo” PDF. They were scanned together, and I don’t have Adobe Pro to separate them. Our usual Adobe whizzes are done for the week, so I hope this works for you or you know of an Adobe whiz to turn to.

Also attached are the Response to Comments, BiOp, and ESA white paper – hoping it’s what you were looking for (drafted by Baker Botts and Latham and Watkins, transmitted by Florida to leadership back in July 2019).
